COUNTY OF \_\_\_\_\_

I, the undersigned, being first duly sworn, state, under penalty of perjury, that each and every one of the following statements is true and correct.

_____	Street		
_____			
Social Security # _____	City	State	Zip
Social Security # _____	Phone (work)	(home)	

1. The residence being purchased is a single-family dwelling located in the State of Idaho at the following address:  
  
\_\_\_\_\_ and will become, and remain, my principal residence within sixty (60) days after the date of the Mortgage Loan closing. All of the land being purchased along with the residence, if any, or any land on which the residence is located, reasonably maintains the basic livability of the residence and does not and will not provide, other than incidentally, a source of income to me.
2. The residence will not be rented or otherwise used as an investment property, vacation home, or recreational home. No more than 15% of the total area of the residence will be used in a trade or business and I will not deduct any portion of the cost of the residence as a home business expense on my state or federal income tax return(s).
3. If the loan application is for a newly constructed residence:
  - (i) It has not and will not be occupied prior to the Lender's/Broker's loan commitment.
  - (ii) The proceeds of the Mortgage Loan will not be used to replace an existing mortgage, land contract, bridge loan, or similar temporary initial financing unless such temporary initial financing has a term of twenty-four (24) months or less.
4. If the loan application is for a previously occupied existing residence, the proceeds of the Mortgage Loan will not be used to replace my existing mortgage or my existing land contract.
5. BORROWER'S SWEAT EQUITY: Idaho Housing and Finance Association will not recognize or allow credit to be granted to the borrower(s) from the Seller and/or Contractor for labor performed by the Borrower(s) in the construction of the residence in the case of a conventionally financed loan.
6. ACQUISITION COST: Maximum acquisition cost is limited by Federal regulation. However, home purchase price limits for the Program are set by the Idaho Housing and Finance Association and may be lower than the maximum set by applicable Federal regulation. Acquisition cost shall mean the cost of acquiring a residence from the seller as a completed residential unit and includes the following:
  - (i) All amounts paid either in cash or in kind, by the purchaser (or related party for the benefit of the purchaser) to the seller (or a related party for the benefit of the seller) as consideration for the residence, including any improvements to the residence paid for by the purchaser and all commissions, whether paid by the buyer and/or seller. However, it shall not include usual and reasonable settlements costs or permanent financing charges (but only to the extent that such amounts do not exceed the usual and reasonable costs which would be paid by the mortgagor where financing is not provided through tax exempt bonds).
  - (ii) If a residence is incomplete, the reasonable cost of completing the residence, including all builders' fees, hook-up and tap-in fees, permits, architectural fees, all site improvements, work credits, subcontracted items and construction loan interest. However, it shall not include the value of services performed by the mortgagor or members of the mortgagor's family in completing the residence.
  - (iii) The purchase price of the land. If the land has been received as a gift or obtained more than two years before the date of the applicable Borrower Affidavit and Lender/Broker Certification (this form), the acquisition cost shall be deemed to be the appraised value of the land. Where a residence is purchased subject to a ground rent, the capitalized value of the ground rent.Total Acquisition cost will be \$ \_\_\_\_\_ and will not exceed the acquisition cost limitation applicable to the residence.
7. No side deal or agreement, either verbal or written, is presently contemplated for the completion of or the addition to this residence, unless the estimated cost of the completion and/or addition is included in the acquisition cost.
8. The total amount of payments made to date and to be made in the future by me, or a person related to me, or for the benefit of me, for purchase of the residence is \$ \_\_\_\_\_; OR if the Residence has not been completely constructed as of the date of my execution of this Affidavit, a reasonable estimate of the cost of completing the Residence is \$ \_\_\_\_\_.

9. I do not own any other property purchased under any Idaho Housing and Finance Association program which will be retained for any purpose.

10. PRIOR NON-HOME OWNERSHIP REQUIREMENT: (Targeted Counties Exempt) I understand that I am not eligible for a Mortgage Loan, under this program, if I individually or together with another person had an ownership interest in a principal residence within three (3) years from \_\_\_\_\_ (projected date of closing). For this purpose, a principal residence includes a single family residence or condominium owned by me (including any mobile or manufactured home which is permanently affixed to real property but excluding any mobile or manufactured home located on rented land with a lease term of one (1) year or less) during the three (3) year period prior to the date of execution of the Deed of Trust, in addition, mobile homes located on real property owned by the borrower will be considered prior home ownership. Interests which constitute present ownership include but are not limited to (a) a fee simple interest, (b) a joint tenancy, (c) a tenancy in common, (d) a tenancy by the entirety, (e) the interest of a tenant shareholder in a cooperative, (f) a life estate, (g) a land contract (i.e., a contract pursuant to which possessions and the benefits and burdens of ownership are transferred although legal title is not transferred until some later time), and (h) an interest held in trust for the Mortgagor (whether or not created by the Mortgagor) that will constitute a present ownership interest if held directly by the Mortgagor. I have not had a present ownership interest in a principal residence with the three years prior to the closing date.

11. Check and complete the following sections that correctly apply to you, the undersigned borrower(s):

☐ I have not owned a principal residence within the three (3) year period prior to \_\_\_\_\_ (projected date of closing), and do hereby submit a true and complete credit report obtained by the Lender/Broker related to my application for the Mortgage Loan.

☐ I am exempt from the three (3) year non-ownership requirement because the Residence is located in a Targeted County of the State of Idaho. I acknowledge that I have received a list of Targeted Counties prior to execution of this Affidavit.

12. INCOME REQUIREMENTS

My gross annual household income does not exceed the maximum program for a household of \_\_\_\_ person(s) in \_\_\_\_\_ County.

- (i) Qualifying income from Loan Application/AUS: \$ \_\_\_\_\_.

- (ii) Household Income (as defined below) \$ \_\_\_\_\_.  
Annual Gross Household income is the total of all sources of income from anyone: on title, all spouses, whether borrowing or non-borrowing, and all other adult individuals 18 years or older who will both occupy the residence and be liable (primarily or secondarily) on the deed, mortgage, or note.
